If you can, that would be great. I'll call her with my credit card number and let her know. When would it be?

Can you keep them there at security office until we move?

I have to give a credit card number for the No trespassing signs.

This new order has not been placed yet.

If someone is easily in Burbank this week, then I could call in the number and they could pick up the first order.

Julie, I'd like to order some more signs and then pick them up at the same time.

Here is language for signs that we are going to be placing in various parking lots here in Hollywood.

"It is a violation of 41.27(d) L.A.M.C. to possess any bottle, can or other receptacle containing any alcoholic beverage, which has been opened, or a seal broken, or the contents of which have been partially removed, on or adjacent to these premises."

I'd like to order 40 of these. Is this a custom order?

Hi Kerry and Melissa,

I got the photos and I will be passing them around to the field supervisors. At this point it seems to be a disgruntled customer. We have a trespass authorization with Amoeba Records in the event he should enter the store. The subject flipping the bird and posting the sign falls under the same category of a civil matter than a criminal one.

The sign verbiage makes it civil. The words have to signify a direct threat of physical harm and the threat has to be immediate to fall under the criminal statute. We will keep an eye out for this guy.

He was asked not to shop here as of 12/15/15 by another manager. He spoke to me prior and is targeting me in notes. The notes have become visible today all around the store up to Starbucks. Security said he was passing by the front doors today, flipping them off.

DOB [REDACTED]

SS# [REDACTED]

From Los Angeles CA.

BID Security's first documented contact with Rachel was on 9-25-01 when she was warned for trespassing at a business near Hollywood and Sycamore. She was lying in the doorway of the Knitting Factory. On 9-6-04, she was warned for sleeping in front of the business at 1770 Highland. She was arrested for urinating in public on 2-14-05 at 1740 Highland. On 11-22-07, she was again arrested for urinating in public at the same location.

We are unsure of the spelling of her first name. Some call her Raquel. She sleeps on the sidewalk in front of the church located at Highland and Franklin and spends most of her time in that area. We are unable to communicate with her although we have tried to build a rapport with her many times. She has never been hostile towards us. She is very quiet, but does not speak to us.

I recently tried to talk to her on Highland near our office. She focused on a tree and totally ignored me. She touched the tree, picked up small items from the ground and then walked away.

We feel that she suffers from extreme mental illness and is in desperate need of intervention. She often sleeps on the sidewalk near the church and is unprotected and vulnerable. All attempts at engaging with her have failed and she seems unaware of reality. We believe that she is gravely disabled and in need of immediate help.

Greetings friends,

Kaiser LA Medical Center is planning a community health assessment. As part of that, they will be conducting a focus group to discuss the health needs here in Hollywood.

They are looking for a location to hold this focus group. Ideally the site could accommodate 12-20 people. They would need your room for 90 minutes, and would need access to parking. It can be in Sept or October – they can work with you on the date.

If you are in a position to offer up a conference room to assist, please contact:

Hello Mr. Seyler,

Thank you for inviting DMH SB-82 SA4 to your Hollywood BID meeting last week. Can you keep us in mind for the next meeting or any other community meetings that will assist us in engaging and linking those suffering from mental illness to medication and treatment. It looks like our team will be in Hollywood area on Mondays, Tuesday and Thursday. At this time, we plan to start our mornings at The Center at Blessed Sacrament, engaging some folks there before doing some outreach at Durant Library. As previously mentioned, we are placing a considerable amount of resources and time on servicing some of the people identified on Top 14 list developed by Hollywood Forward. After consulting with our clinical supervisor Monju Shome LCSW, she would like us to engage the person with no legs that you identified at the last meeting. Are there any Thursday's for the month of October where our team could pair up with one of your officers in the morning to engage community members that could benefit from services provided by the Department of Mental Health?

Subject: New outreach teams in Hollywood -- connect with BID security

Hi Steve and Joe,

By way of this email, I'd like to introduce you to two people who are going to be important resources for us in the next year.

Monju Shome is on the new DMH Mobile Triage Team. This is a resource now available to Hollywood (and throughout the county, for that matter) to *go into the field* to engage with individuals suffering from mental illness on our streets.

Nathan is the interim executive director now of The Center, and he has two individuals on his team – Douglas and Stephan – who are going to be involved in outreach as well.

Both of these teams are interested in being better connected with BID Patrol members who are knowledgeable about the people living on our streets that we have developed a knowledge about/relationship with. I suspect that will be Mike Coogle and Mike Ayala.

I am going to be out of town this coming week at the International Downtown Assoc. conference in SF. But, this work is too important to wait until I get back – and I have complete confidence in your ability to hold a productive meeting!

I was wondering if you all could get together on Thursday at about 11 a.m. – at the BID Patrol office. Here are some of the objectives:

- Monju is interested in knowing how to find/engage the Top 14 (other than Robert Blake, of course, who is now conserved, and Richard McFarthing, who is being engaged by the Step Up Team). It would be helpful if you could walk through the other 12 on that list, share what you know, and help them figure out how to find these individuals.
- There are other people who are important to reach out to – beyond the Top 14 list – and perhaps you could share information about who you are concerned about.
- Douglas and Stephan are also going to be reaching out to people, so they may have specific folks to ask about
- I think Mike and Mike have such insights into the history and circumstances of so many of the individuals who are chronically homeless on the streets of the BID, that this will be a fruitful conversation for these new “reinforcements” that have arrived to help.

Let me know if this time works, and I'll help pull this together. I am sorry I cannot be there, but I trust it will be a productive meeting! We are grateful to have this help in reaching out to the most vulnerable on our streets in the Hollywood and Sunset BIDs.

Good afternoon. This is another potential candidate. Without intervention, he will surely die on the street one day. It would also be great for the quality of life of all concerned to get him into a program as he causes a huge amount of disruption and many calls for service. He is a burden on BID Security, the LAPD, Paramedics, hospitals etc. He also creates a health hazard. I'm a little fuzzy on the criteria for Laura's Law so please advise if you need more from me. Thanks.

Claims to be From Oklahoma City

BID Securities first documented contact with Richard was on 3-9-06 when we arrested him for urinating in public at 6250 Hollywood Blvd. He said that he was unemployed and was born in Oklahoma. He was homeless. Over the years we received many calls regarding his behavior. We arrested him on occasions and helped him numerous times. We have always tried to build rapport with him and to get him to move into a shelter with outreach services. This report documents only a very small percentage of our contacts with Richard.

On 3-12-06, we arrested him for drinking in public at 6250 Hollywood Blvd. He was arrested for blocking the sidewalk at 6290 Hollywood Blvd. on 5-16-06. He was arrested for drinking in public on 5-31-06 at 6250 Hollywood Blvd. On 9-27-06, he was arrested for blocking the sidewalk at 6282 Hollywood Blvd.

On 10-7-06, security received a call of Richard threatening to throw hot coffee on a female. He was very angry, but ended up throwing the coffee on the ground. He was advised.

All the contacts prior to 2007 were made by the security company that had the BID contract prior to Andrews taking over in 2007.

On 3-6-07, we arrested Richard for drinking in public at 6362 Hollywood Blvd.

On 8-24-07, officers spoke to Richard at Cosmo and Cahuenga. He was down on his luck and wearing shabby clothing. The officers drove to the Church of the Blessed Sacrament and spoke to Social Director Yolanda Lichtman about the problem. She provided new clothing for him.

On 10-3-07, our officers contacted Richard on Hollywood Blvd. He was rather frail and was observed dragging several bags of property along the sidewalk. He said that he was an army veteran and a victim of the Oklahoma City bombing. During their travels, our officers had found a discarded luggage cart in good condition. They retrieved it and gave it to him the next day. He was both surprised and grateful. He is not ready for a PATH placement but we are trying to establish a positive relationship with him.

On 8-8-08, we arrested Richard for urinating in public at 6400 Hollywood Blvd. On 9-17-08, we arrested him for drinking in public at 6400 Yucca.

On 10-20-08, our officers arrested Richard for drinking in public. He was transported to the LAPD Hollywood Station where he was cited out. Upon leaving the station, he was seen eating the citation. On 10-29-08, we arrested him for drinking in public at 6381 Hollywood Blvd.

On 1-8-09, we arrested Richard for blocking the roadway at 6351 Hollywood Blvd.

On 05-18-09, we received a radio call of a transient blocking access to a business at 6656 Hollywood Blvd. Upon arrival we learned that it was Richard. He has refused all offers of help. On this occasion he was covered in urine and feces and was causing people to avoid the business. We asked him to move and he reluctantly complied. He then sat in front of 6646 Hollywood Blvd. causing the same problem. He was again asked to move. He then came to rest at 6600 Hollywood Blvd. again causing the same issue. He was then arrested for blocking the sidewalk.

We arrested him for blocking the sidewalk on 5-20-09 at 6658 Hollywood Blvd. and for urinating in public at 1716 Cahuenga on 5-22-09.

On 7-2-09, we arrested him for trespass at 6368 Hollywood Blvd.

On 07-22-09, we arrested Richard for trespass at 6368 Hollywood Blvd. after three warnings. He was blocking the doorway and Dr. Anthony Arman and his staff asked us for help. He was transported to our office. He was angry and felt he should not be arrested as he was not inside a building. I explained the law to him. He seemed very confused and I felt that he had obvious mental issues.

I noted that Richard had a very foul odor. He smelled strongly of urine. He did not have any visible injuries and did not complain of any ill treatment by our officers. I talked to him about the possibility of entering a shelter, but he refused to discuss the topic.

We receive almost daily calls from businesses complaining of Richard's behavior.

We had contact with Richard again on 07-25-09 in front of the Kodak Theater. The LAPD was there and he told them that he had been assaulted by a BID officer. He claimed that it happened earlier in the week when we arrested him for trespass. He said that when they arrived at the BID office, one officer went inside leaving him alone in the vehicle with the second officer. He said this officer then pulled out a knife and sliced his face twice. He said he received injuries to his forehead and nose. He said he later woke up in the hospital where he stayed for two days.

I viewed a video that our officers took of Richard making the above statement. I saw that he did have a large laceration on his forehead. One of his eyes was red and swollen as well. Note that I had spoken to Richard in our office after his arrest and he did not have any injuries at that time.

Our officers responded to the scene where Richard was talking to the LAPD officers. They brought a copy of our booking photograph from 07-22-09. The LAPD Sgt. looked at it and saw that Richard did not have these injuries when we arrested him. They then determined that Richard was very confused and mistaken in his allegations. Richard then said that it may have been sheriffs that assaulted him. We were advised that LAPD planned to place a 5150 hold on Richard, but our officers did see him on the street later.

I do not believe that Richard is lying. It is obvious that he was indeed assaulted. I believe that he is truly delusional and is telling the truth as he knows it. He is clearly in need of assistance and I will contact our various homeless outreach contacts in regards to Richard.

On 8-19-09, we arrested him for blocking the sidewalk at 6385 Hollywood Blvd. and again on 8-23-09 at 6400 Hollywood Blvd. On 9-17-09, we arrested Richard for urinating in public at 1716 Cahuenga.

On 10-2-09, we responded to a call of Richard causing a disturbance at 6430 Sunset Blvd. We asked him to leave and he complied. On 10-3-09, we arrested him for drinking in public at 1501 Cahuenga. On 10-6-09, we arrested Richard for drinking in public at 1626 Cahuenga. On 10-25-09, we arrested Richard for blocking the sidewalk at 6386 Hollywood Blvd. and again on 11-15-09 at 6371 Selma.

On 12-04-09, our officers met with Vivian, Martha, and Sylvia of the Department of Mental Health. We directed them to Richard at Hollywood and Cahuenga. Richard is a long time homeless man and we have become increasingly concerned about his medical condition. He has refused all offers of help from us in the past.

The workers spent an hour with Richard. They offered him shelter, but he refused. They were able to get a surprising amount of information from him. He let them count his ready cash and he had \$2,000.00 on him. He said he got money from land holdings in Oklahoma. We had hoped that they could place a 5150 hold on him so that he could get medical attention.

They said he was bad, but did not quite match their criteria. He knew the day of the week, the name of the president and other information. They said his finger was in bad condition, but not life threatening yet. Richard said that he would go with them on Monday and they agreed to come back and try again at that time.

On 12-14-09, we received a call at 6381 Hollywood Blvd. Manager Farhad Ghandchai was very upset due to the ongoing problem of Richard and Paul Durand hanging out at

the location. He said they are dirty, smelly, and very rude. We have had many contacts with these subjects. We have offered them help many times.

On 12-15-09, we returned to the location and found Richard so inebriated that he could not stand. We called paramedics who responded and took him to the hospital.

On 12-29-09, we made contact with Richard at 6656 Hollywood Blvd. He is currently staying at the Gilbert Hotel and is working with the LA Department of Mental Health.

On 04-02-10, we contacted the Los Angeles Department of Mental Health regarding Richard. We explained that he is a homeless man with serious mental problems. He wears numerous rings which are too tight. As a result, his fingers are very badly swollen. Case workers Amanda Dunn and Mary Louise responded. We stood by and provided security until they could get an ambulance to the scene to take Richard to the hospital.

On 1-25-11, we found Richard down on the sidewalk. He approached Sgt. Reyes and shook his hand. He thanked BID security for trying to help him. He said that he was supposed to be taking Paxil, but could not afford it. He said he had not been able to contact PATH for assistance. Reyes called Jorge of the PATH Hero team and let Richard use his cell phone to speak with him. Jorge agreed to assist.

On 9-28-11, we arrested Richard for drinking in public at 9-28-11 at 6381 Hollywood Blvd. and for blocking the sidewalk at the same location on 11-10-11. On 11-11-11, we arrested Richard for drinking his favorite Taaka vodka at 6385 Hollywood Blvd.

On 10-19-11, we were flagged down by Otis, Mark and Murray from Step Up On Second and assisted them on their contact with Richard. This is the team approach that we are pursuing in trying to reach out to the most troubled homeless people in this community.

Richard

On 11-19-11, our officers Mike and Mike contacted Richard at Hollywood and Cahuenga. We have become increasingly concerned with his deteriorating condition. Step up on Second and others are trying to assist. Our guys learned that it was his birthday so they gave him a cupcake and sang Happy Birthday to him. This caused Richard to cry.

On the following Monday, we found Richard passed out at the same location. There was an empty bottle of gin next to him on the sidewalk. His pulse was so weak that we thought he may have died. We called paramedics who responded and took him to the hospital.

Richard's BID Birthday Richard Monday Morning

On 11-21-11, we found Richard down on the sidewalk at 6381 Hollywood Blvd. He was non-responsive. We called paramedics and RA27 took him to the hospital.

On 11-28-11, our officers were contacted by Randall Mullins of the Department of Mental Health. He asked for our help in locating a homeless man named Arni. We advised we would look for him. Our officers took the opportunity to see if Randall could offer assistance to two other troubled homeless people named Richard McFarthing and Carl Hansen. We took Randall to Richards's location. He offered him assistance, but he refused as he usually does. Arni, Richard and Carl are three of the people in the most need of help in the BID areas.

On 12-6-11, our officers met with Richard. We continue to be very concerned about his mental and physical condition. Mark from Step Up On Second has been working with Richard with muted results. Our guys spoke to Richard about taking a tour of Michael's Village where Mark hopes to place him. Mark has had no luck in convincing Richard to come to the location. On this occasion, Richard agreed to take the tour. We contacted Mark who was ecstatic saying that this was a huge step for Richard. He said he would arrange the tour.

On 12-8-11, Mark called and said he was ready for the tour. Our officers Mike and Mike picked up Richard and Mark and drove them to Michael's Village located at 7160 Sunset Blvd. Richard took the tour and was quite excited although he did not enjoy interacting with Mark. This is something we have learned about rapport building. For whatever reason, some people can be reached by one person while they may completely shun another. It's why we don't lose hope on some of these difficult cases.

Richard in BID vehicle

Richard Touring Michael's Village

On 12-22-11, we arrested Richard for drinking in public at 6385 Hollywood Blvd.

On 1-11-12, our officers spoke to Richard at 6385 Hollywood Blvd. They warned him several times during the morning regarding blocking the sidewalk. He refused to move so we called the LAPD who issued a citation for the violation. Step Up On Second arrived at the scene and tried to convince Richard to accept shelter. Richard refused. He was very angry at them, spitting and cursing. He did move from the entrance of the building to a nearby bus stop. Some of our officers have a good rapport with Richard and we are actively working on a plan to assist Richard.

The 6300 block of Hollywood Blvd. is the sleeping area of choice for Richard. He now has a sizeable group joining him at the location and they are causing many problems. We are seeking a way to address the issue.

On 1-20-12, we arrested Richard for trespass at 6385 Hollywood Blvd. On 5-17-12, we arrested him for drinking in public at the same location. We arrested him for drinking again at this location on 6-5-12.

In August of 2012, Richard continued to sleep on the sidewalk with his group in the 6300 block of Hollywood Blvd.

On 9-11-12, we arrested Richard for trespass at 1747 Cahuenga. We are still spending many hours trying to assist him. On 9-25-12, we arrested him for blocking the sidewalk at 1747 Cahuenga. We are hopeful that these arrests may give us some leverage in getting help for Richard. These cases will likely go to warrant. We will try to steer him into shelter in lieu of jail.

On 9-25-12, our officers attended an homeless outreach meeting and the group discussed plans to assist Richard.

On 10-7-12, our officers found Richard down on the sidewalk at 1743 Cahuenga. He had clothing spread all over the sidewalk. Our Officers tried to help him get up, but he was unable to stand. We called paramedics and RA 26 responded and treated him at the scene. His vitals checked OK and he refused transport. The paramedics left and our guys helped Richard clean up the mess.

On 10-8-12, we contacted Richard at the Colony located at 1743 Cahuenga. We advised him that he was trespassing, but he was not able to walk. We called paramedics and RA 27 responded and took him to the hospital. We called Clean Streets who responded and hosed down the urine that Richard had left behind at the scene. The next day, we found Richard back at the same location.

In early March of 2013 PATH counselors were able to convince Richard to come to their shelter. He refused to stay, but said that he would consider it. Step up on Second and Aimee from the Lord's Lighthouse are also keeping in contact with Richard.

On 4-30-13, our officer Ayala works at rapport building with Richard. Our officers Mike and Mike are on an outreach team with the mission of getting Richard into supportive housing. The team had their first meeting on 5-2-13.

On 5-7-13, our officers were pleased to see Richard McFarthing at the Church of the Blessed homeless outreach program (BSSSC). He was interacting with staff and seemed quite content. This is a big development.

On 5-28-13, we responded to a call of Richard disrupting a film crew at the Vine Theater. He was asked to leave and complied.

On 6-3-13, at about 11:00 A.M., our officers found Richard down on the sidewalk talking incoherently. He was lying directly in the sun light. We called for paramedics. LAPD SLO John Washington also arrived at the scene. Our officers were called away to assist in a felony arrest. We later learned that the paramedics declined to take Richard to the hospital.

On 6-5-13, our officers contacted Richard at 1747 Cahuenga. They tried to convince him to go to the BSSSC or PATH. He angrily refused and was mostly incoherent.

During the latter part of June 2013, Richard was making regular visits to the BSSSC. Ben Adam would pick him up and then drop him off each day. Work on getting Richard approved for VA benefits continues. His discharge was less than honorable and that complicates matters.

In July, Richard continued working with BSSSC counselors. He was doing very well, but had several relapses where he turned to alcohol. It often seems that he falls off the wagon when he gets money.

On 7-15-13, our PSO's had an unpleasant encounter with Richard. They found him lying on the sidewalk at Cahuenga and Hollywood. When they told him that the bottle of vodka next to him was probably not a good idea, he shouted profanities at them and threw the bottle between the two officers. It shattered on the roadway.

We have since learned that Richard agreed to enter a PATH Shelter the next day so we are hopeful that progress is being made. He actually stayed at the shelter off and on during the last month or so.

On 7-25-13, our PSO's found Richard and a homeless woman named Rachel on the sidewalk at Hollywood and Cahuenga. They were surrounded by debris. The officers could not rouse either subject. Rachel had a bloody nose and flies were buzzing around her. Richard had an empty bottle of alcohol near him. BID officers responded and woke the pair.

Our officers later found Richard still on the sidewalk. They moved him into the shade. In frustration, we alerted Kerry Morrison to the situation and she obviously made some calls as Richard was seen at about 4:00 P.M. in the back of an LAPD patrol car. We do not know where he was transported, but feel certain that it is a better place than the burning hot sidewalk.

On 10-3-13, Outreach Team McFarthing, of which we are a member, met at our office to discuss strategies for getting Richard services and shelter.

On 10-4-13, we responded to a call of a man down at Wilcox and Franklin. Kerry Morrison and PATH counselors were at the scene. It was Richard. We called paramedics who responded. Richard refused assistance.

On 11-26-13, before 6:00 A.M., our officers were on their way to work when they spotted Richard completely naked on the south east corner of Hollywood and Cahuenga. After starting their shift they convinced him to get dressed.

On the morning of 6-24-14, Jana of the LADMH called looking for Richard. We located him and gave her the location. Later in the morning LADMH returned and took Richard to PATH where he was to be evaluated.

On 7-2-14, the PSO's saw Richard lying on the sidewalk at Hollywood and Cahuenga. He waved to them. There was a tipped over shopping cart beside him. LAPD Detective K. Garcia (#33024) and his partner (Liz) were talking to Richard. The officers asked our PSO's if they knew Richard. They had received a call from a citizen stating that Richard had fallen and may be injured.

The PSO's helped Richard gather his belongings and he headed off northbound. The LAPD detectives thanked our officers for their help.

On 7-4-14, the Bike Team reached out to Richard again to no avail.

On 12-9-14, our officers responded to a call of a man trespassing at 6381 Hollywood Blvd. It was Richard and he refused assistance. A short time later we received another call regarding Richard at the location. He refused help and refused to leave. Three hours

later we received yet another call. This time he was drinking from a bottle of Taaka vodka. He received a warning.

On 12-18-14, Officers Nam and Trujillo spoke to Richard at 6385 Hollywood Blvd. They told him there was a bed available for him at the Winter Shelter, but he said he was not interested.

On 12-21-14, we responded to a call of a man throwing bottles into the street at 6385 Hollywood Blvd. Upon arrival they saw that it was Richard. He had a huge amount of property and the area was covered in filth. He agreed to help clean up the area and asked for help getting rid of some trash. We called Clean Streets who took the debris that Richard pointed out. They then steam cleaned the sidewalk as it was soaked in urine and feces. Many passers-by thanked our officers and Clean Streets for their efforts.

On 12-22-14, our officers spoke to Richard at Hollywood and Cahuenga. We had been making daily contacts in hopes of getting him to enter the Winter Shelter. He again refused.

On 12-23-14, our officers found Richard on the ground blocking the sidewalk. They were unable to converse with him as he was extremely intoxicated. They did manage to get him into his wheelchair.

On 2-3-15, I received a call from LAPD Senior Lead Officer Maggie Dillard who was at 1743 Cahuenga. She has made many efforts to assist Richard in the past. On this occasion, she was attempting to have a 5150 hold placed on him as she was in fear for his safety. She asked if I had any documentation that might help her convince the Department of Mental Health to place the hold.

I sent Sgt. Nam to her location with a five page report that I had prepared regarding Richards condition and illustrating our fear that he will eventually die on our streets without intervention. Officer Dillard later told me that the Dept. of Mental Health declined to place the hold.

On 2-10-15, Officers Watkins and Sewell found Richard sleeping in the parking lot located at 1747 Cahuenga. He was very close to the driveway and in danger of being run over. They woke him and he promptly entertained them with an onslaught of profanities. He did move to a new safer location.

On 3-18-15, our officers responded to a call of a man trespassing at 6408 Hollywood Blvd. Upon arrival they saw that it was Richard McFarthing. He was in an area owned by the business Stars on Hollywood. He had urinated and defecated on the sidewalk. Officers Carrasquillo, Trujillo and Sgt. McCall helped Richard get onto his wheelchair so he could leave the location in lieu of being arrested by the business owner.

On 3-23-15 our PSO's counseled Richard after a tour operator told us that he had been throwing rocks at a tour bus loaded with passengers. The officers noticed that Richard's hand is very badly swollen.

We still receive almost daily calls complaining about Richard. Business owners and citizens are demanding that something be done, but we feel that we are running out of options and fear that one morning we will find Richard dead on the sidewalk.

On 3-24-15, we transported Americore worker Dawn to Richard's location. Dawn is working for Kerry Morrison and is doing homeless outreach. We were hopeful that Dawn could establish a rapport with Richard. He had been drinking and his clothes were soiled with urine and feces. Dawn gave him outreach information.

On 5-12-15, PSO's Maki and Nunez contacted Richard at 6381 Hollywood Blvd. (Security Pacific Building). He was very intoxicated and they saw a Taaka vodka bottle on his lap. He had bleeding cuts on his forehead and chin. The injuries were consistent with a fall. They offered medical help, but he refused.

The officers asked him where he got the vodka and he responded by dumping the contents onto the ground and then throwing the bottle. He said "I don't care, I'm just gonna buy another". Richard was blocking the doors to the building and they asked him to move. He was angry and told them to "Go away and leave me alone". Rather than escalate the situation, they honored his request.

On 5-14-15, Officers Ayala and Coogle received a call from Anthony of Housing Works. He has been trying to assist Richard McFarthing, but could not locate him today. Our officers found Richard at 6385 Hollywood Blvd. They called Anthony and he said he would be on the way there.

On 5-17-15, Officers Kanagi and Rosales found Richard McFarthing down on the ground at 6381 Hollywood Blvd. He was unable to speak or get up. The officers called the

LAPD and paramedics. They could not get Richard to cooperate. A second paramedic team arrived (RA 82) and they took Richard to the hospital

On 5-26-15, PSO's Maki and Nunez spoke to Richard McFarthing at 6423 Hollywood Blvd. He was lying on the sidewalk as usual. He had cuts and scrapes on his forehead and chin. There was blood flowing from these wounds. He also had his usual bottle of Taaka vodka. They offered him outreach help and medical attention, but he refused all offers.

On 6-7-15, Officers Kanagi and Rosales contacted Richard McFarthing at 1713 Cahuenga. They saw him drinking from a 175 ml bottle of Gran Legacy vodka. He was bleeding from wounds on his forehead and chin. He refused all offers of medical assistance. Instead of arresting him, they referred him to a local AA office as well as PATH.

On 6-26-15, Richard was arrested by the LAPD for \$15,351 in outstanding warrants. He was booked into the L.A. County jail, but was released on 6-29-15 at about 5:30 P.M.

As of August 2015 there have been no improvements for Richard. He continues to live in squalor. On 8-13-15, I am submitting this information to LAPD Sgt. Ben Fernandes for consideration for an AOT evaluation.

There is some effort underway to move RB toward a conservatorship – the birthday on the Top 14 list says his BD is [REDACTED] but the jail says it is [REDACTED]

Checking to see if we have a good read on the date, and also they are looking for SSN.
If you have this (SSN) great – otherwise, county is also checking with Housing Works.

ANDREWS INTERNATIONAL

Blake, Robert:

DOB [REDACTED]

From [REDACTED] Florida

CII# [REDACTED]

Robert is a very troubled homeless man. He has shown violent tendencies. He has a tattoo on his right arm ("Diddy"). Our first documented contact with him was on 1-2-12 when we arrested him for drinking in public at 5955 Hollywood Blvd.

We have arrested him at least six times for drinking in public, trespass, blocking the sidewalk and urinating in public. The last Arrest was on 11-20-13. Most of our contacts with Robert have been on Hollywood Blvd.

On 8-16-13, our Officers found Robert passed out on the ground at 1617 Cosmo. He was incoherent and unable to stand. Paramedics were called. They responded and took him to the hospital.

In the past we have responded to numerous calls for service involving Robert. They involved him scaring people and refusing to leave a business etc.

We did not see much of Robert in 2014 or 2015. I recently learned that the City Attorney's Office got a stay away order for Robert which may explain our lack of contact with him. On 7-15-15, our officers spotted Robert at McCadden and Hollywood Blvd. We contacted the LAPD who said that Robert had a 36 month stay away order. LAPD officers responded and placed Robert under arrest.
